

A NEW SCHOOL BUILDING FOR CHRIST CHURCH C OF E SECONDARY ACADEMY

PUBLIC INFORMATION EVENT

The Birmingham Diocesan Academies Trust (BDAT) and the Education & Skills Funding Agency (ESFA) are excited to introduce their plans for a new Secondary School to be known as Christ Church C of E Secondary Academy.

The new school is projected to be open by September 2021 and is required to help to address the 'basic need' for school places in the locality, as identified by Birmingham City Council.

We are holding two drop-in events for local residents and stakeholders to find out more about our plans for the school and grounds, ahead of our planning application submission. Please drop in, view our proposals, and meet the team, who will be happy to answer any queries you may have.
